

HOUSE CHURCH

Grace Gathering places a high value on support and accountability between the leaders of the House Churches, both within the relationship between the Coaches and the Mentors and between the Mentors and the Members of a House Church. This brochure is intended for two purposes: To be a personal accountability tool for those within house churches, and to be a tool that is used by House Church leaders to assist in this support and accountability.

As a personal means of accountability, read through these questions regularly and ask the Holy Spirit to identify the issues that God is wanting you to address in your own personal walk with Him. This may be an area where we need to allow Him to change us, or an area where we need to recognize the extent to which He already has—so we can expect both the challenge to repent and the encouragement of recognizing spiritual breakthrough in our lives.

May God bless you as you continue to grow in Him!!
