Funeral Guidelines

Grace Gathering encourages all House Churches to practice the “one anothers” in caring for those in their House Churches, especially during the passing of a group member or family member. Here are guidelines to assist you in this:

- 1) Grace Gathering’s facility is available for funerals at no charge. However, you will need to contact the Church Administrator (260-749-5165) to find out availability.
- 2) Grace Gathering provides tableware, cups, plates, napkins and beverages for Grace attenders at no charge.
- 3) Food is the responsibility of the House Church participants (and any ministry groups the participant may be a part of), as well as its coordination.
- 4) If officiating is needed for the funeral service, please contact the Care Pastor for his assistance with this to plan further.

The Church Administrator is willing to provide direction to those overseeing this and has a few tools and written information to make this process smooth (checklists, food suggestions, etc). Please contact her for this information as needed. You will also be able to locate these tools on the website under the House Church Mentor Resources Page.
