Electronic Tithing Information

Electronic Tithing: *Frequently Asked Questions*

What is Electronic Tithing?

Electronic tithing is an Electronic funds transfer of money from your bank account directly to the church's account. It works the same as other electronic payments you may have already set up to be paid from your checking or savings account.

Why Should I Give Electronically?

Automatic giving helps the church make better use of the funds you are entrusting to us. This method of giving:

- Is safer than paper checks.
- Is less costly to process than paper checks.
- Allows you to continue your support of our ministry even when you are on vacation or unable to attend services.
- Helps the church better plan for financial obligations.
- Saves the church staff time in counting and recording contributions.
- Tangibly demonstrates your commitment to the Lord in the area of financial stewardship.

Can I Designate My Giving Category?

Absolutely. Just mark on the sign-up form which category(ies) you wish your gift to be applied towards.

Can I Give More?

Yes. Just drop your check or cash in the offering plate. Your regularly scheduled transfer will not be affected by your decision to contribute to special projects.

When Will Funds Be Deducted From My Account?

Our electronic transfers occur on Mondays. You decide how often you wish transfers to be made - weekly, bi-weekly, or monthly. If any Monday falls on a holiday, your deduction will occur on the following business day.

Can I Cancel Or Change My Authorization?

If you change your bank account, wish to change your giving amount, or designate a different ministry in the church; just call Kelly Greubel at the church office at (260) 749-5165 ext 107.

How Will I Keep My Records?

Your pre-authorized contributions will appear as deductions on your monthly bank account

statement. Additionally, the church will provide you a statement of giving at year end for tax purposes.

I Like To Contribute Through The Offering On Sunday Morning

We recognize that there are many reasons why you may still wish to indicate your stewardship through the regular Sunday offering. Upon your request, the church will provide you with a "Gift Confirmation" coupon that may be placed in the offering as it is passed. This coupon will reaffirm your commitment to God and the Church.
